

8:40 Meeting - Thursday, 4 October 1973

1. Missing Chairs: The strange case of the missing chairs in Clerical Staffing Branch: During the past three weeks on reporting to duty in the morning, CSB employees have found on three occasions that their chairs have been missing. One was subsequently found in the elevator area; the other two have not yet been found. The Security Office has been advised and is concentrating its combined resources on finding the two chairs.

2. Physical Fitness Room: Traditionally, use of the Physical Fitness Room increases in September over August. However, the total number of users decreased substantially last month. Reasons unknown.

3. Recruitment: Recruitment Division has noted that there are
